- B – DEMAND TO SELF REPRESENT (Properia Personia)
- C- DEMAND ASSISTANCE of PUBLIC DEFENDER/ANCILLARY SERVICES

HONORABLE JUDGE **???????????**

Please accept this informal self prepared letter brief a in lieu of formal lawyer prepared motion brief. I am a citizen of the United State’s of America and as such I’ve been born with certain inalienable rights, and privileges as well as those granted to me by the United States Constitution. I have not been trained in the practice of law and need “assistance”.

- The 7th, amendment guarantees me the Right to a Jury Trial and by way of this letter I invoke this right.
- The 6th amendment guarantees me the Right to “self represent” as well as “assistance of counsel for his defense” by way of this letter I invoke this right.

If there is any confusion about my RIGHT to invoke these RIGHT’s please refer to The U.S. Supreme Court decision in **FARETTA v. CALIFORNIA, 422 U.S. 806 (1975).**
